WAIVER FOR GAS WELL WITHIN THE CITY OF FORT WORTH

Pedro and Blanca Garcia, are the owners of real property located at 4033 James Ave Fort Worth, Texas, more particularly shown on the map of record in Volume 15528 Page 389, Plat records of Tarrant County, Texas or per Tax Tract Number 38210-30-16, Tarrant County, Texas and described as Block 30, Lot 16 in the Shaw Heights Addition Subdivision. We understand that the current Gas Drilling Ordinance of the City of Fort Worth requires all gas wells to be drilled six-hundred (600) feet from any residence, religious institution, public building, hospital building, school or public park, but allows the property owners of such uses to grant a wavier to allow the drilling of gas wells to occur closer than 600 feet.

By this waiver, we hereby grant to Chesapeake Operating Inc. permission to drill one or more gas wells closer than six-hundred (600) feet to the structure located on our property, but in any event, the gas well bore may not be located any closer than 300 feet to any structure which would include a residence, religious institution, public building, hospital building, or school building on our property as measured in a straight line, without regard to intervening structures or objects, to the closest exterior point of the building.
